Mac's Chat

Good afternoon and a welcome to the Recreation Ground to supporters of both clubs. Before we go further into the notes this week, I would like to thank the supporters for supporting my appeals in my past programme notes. On behalf of everybody at the Aldershot Football Club, I would like to thank you for that support at Wimbledon and Reading. Your support

was tremendous and I am sure must have helped in some way, even if that support was for a losing team on both occasions.

One can look back at this present time and wonder where the team went astray, but I prefer being positive minded to look forward to our next five League matches taking one at a time with a view to winning each match, starting with Wigan Athletic who are today's opponents.

Since our defeat at Reading the pessimists have begun to say that Aldershot are out of the promotion race. Everybody at Aldershot agrees that this defeat makes it harder and being of positive mind we believe there is hope and it is with promotion in mind that we view the remaining games. Just to refresh your memory our remaining games after today are as follows:

Tuesday, April 24th	Barnsley	Away
Saturday, April 28th	Doncaster	Away
Saturday, May 5th	York City	At home
Tuesday, May 15th	Portsmouth	Away

The reason for the Portsmouth game being so late is due to Portsmouth having a rearranged match at Hereford.

Getting back to our performance at Reading which was well below the high standard that we have set ourselves this season away from home. It seems that Reading have a jinx on the Shots or that the Shots don't seem to have it for the derby occasions. Somehow we seem to lose our cohesion as a team with certain players trying to do too much. The team work that I have seen in our away games that made us favourites amongst the 4th Division managers was non-existent. The first half both teams were nothing to write home about without much danger created around the goal. One of these occasions was in the first minute when Needham broke through the Reading defence and in the act of shooting with only Death, the Reading goalkeeper to beat, Bennett the centre-back pushed Andy off the ball — a definite penalty which the referee turned down. Reading's two goals in this half were scored from corners. The second half was more or less Reading's with the addition of a further two goals making the final score 4-0 to Reading.

Today we welcome Wigan Athletic who are level on points with Aldershot at this present time, in what we all hope will be an entertaining game of football. Once again, let's hear you get behind the team and cheer them on to what we all hope will be a victory.
God Bless You All.

Johnny Mac

With the Reserves

On Thursday 12th April we travelled to Newport I.O.W. to play our Hampshire Midweek Invitation Cup Semi Final 1st leg and really turned on the style to come back with a 6-0 win. Newport had players on Fulham's and Portsmouth's books playing but our lads did not let them play and it was the best performance from a youth side in the 2½ years I have been with the club. We opened our account in five minutes when Brian Lucas took a Gareth Smith pass and beat the keeper. Ten minutes later a Martin Mitchell cross was converted at the second attempt by Mark Sanford and the same player made it three when he headed home a Smith cross. Sanford completed his hat trick when Richard Jackson got to the bye line and notched his fourth before half time when Smith headed down a Lucas cross.

The second period was the same picture for us but the home team packed their penalty area and after some missed chances we scored No. 6 and Sanford's fifth when he went past three players and slammed a shot into the far corner from 18 yards.

A fine performance from our lads and this should see us into the final with the second leg to come at home. Team: Wonham, McAnearney, Mitchell, Brown, Bundy, Orchard, Lucas, Di Felice, Sanford, Smith, Jackson. Subs: Gabriel and Clegg.

Last Saturday we took the short journey to Calthorpe Park to play Fleet Town in a Suburban League game and came back with two points in a 4-2 win. It was a disappointing game for us particularly at the back where we were never too sure.

Aidie Green with two goals, one after a solo run and the other a shot from 30 yards, Mark Sanford and Brian Lucas were our marksmen. A mention of Graham Wonham who saved a penalty and also pulled off a wonder save from a short range header to keep our 2 goal advantage.

Team: Wonham, McAnearney, Wilson, Brown, Bundy, Andrews, Hooper, Green, Sanford, Smith G., Lucas. Subs: Campbell and Pritchard.

Introducing...

Whatever the outcome of the promotion race, Wigan Athletic can be more than satisfied with their first season in the Football League which but for a slow start might have produced even more success for them. Wigan were formed in 1932 following the demise of the old Wigan Borough club who had been in the Third Division (Northern Section) from the start in 1921, but resigned early in the 1931-32 season.

Wigan Athletic were close to admission the season before last in fact but finally won recognition in time for the 1978-79 season with excellent credentials which included two Northern Premier League championships, a Premier Cup and three Premier Shield honours — all in the last decade. Prior to that they had played in the Cheshire League and Lancashire Combination, winning four titles in each competition. Only twice in ten seasons had Wigan failed to finish in the top three of the Northern Premier League, while in 1977-78 they finished as winners of the Lancashire Junior Cup, were runners-up in the Northern Premier, semi-finalists in the Premier League Challenge Cup and reached the third round of the F.A. Cup itself.

Naturally enough they began their Football League life with a nucleus of the players who had achieved this success. Subsequently they have added to their resources in this direction, under the able guidance of Scottish born manager Ian McNeill, himself a former player in both Football League and Scottish League circles.

It was in July last year that Wigan started registering their League staff and among them were several newcomers including Alan Crompton, a striker from Blackburn Rovers, Neil Davids, a central defender from Swansea City, Geoff Gay a midfield player from Southport, Ian Purdie a winger from Motherwell, Ian Seddon a utility player from Rochdale and Kevin Smart a right-back from Plymouth Argyle. Crompton had been on Sunderland's books previously, Davids also served Leeds, Norwich and both Northampton and Stockport on loan, Gay had been with Bolton and Exeter (on loan) previously and Seddon listed Bolton, Chester, Stockport and Chesterfield (both on loan) and Cambridge in a career of over 200 League appearances.

Re-signed from Northern Premier days were goalkeeper John Brown who had previous League service with Preston and Stockport, winger Frank Corrigan, skipper Ian Gillibrand, Tommy Gore a midfield player who had been with Liverpool and Tranmere earlier on, full-back Joe Hinnigan, striker Peter Houghton, central defender Noel Ward an Irishman with Portadown and Aberdeen as his previous clubs, top scorer John Wilkie, ex-Ross County, Elgin, Halifax and Morton and midfield player Jeff Wright. The following month, Micky Moore who had scored 22 goals for the club and been their second highest marksman in 1977-78 before moving in March 1978 to Port Vale, rejoined Wigan. In September another ex-Port Vale player Derek Brownbill was added to the strength and he had made his League debut with Liverpool originally. David Bretwell who had made over 250 League and Cup appearances as an extra cover defender for Bradford City was recruited in October as well as Wigan improved their strength and status in the Fourth Division.

December saw the loan arrival of goalkeeper Mike Grew from West Bromwich Albion.

If there could be any testimony to the spirited performances of Wigan this season, Good Friday provided a perfect example, when the Lancashire side were three down at home to Port Vale with some twenty minutes left — and they won 5-3.

Wigan's home attendances have been among the best in the Fourth Division this season and their well appointed Springfield Park ground has a capacity of 30,000. Oddly enough their record attendance came outside the League against another side who have subsequently gained admission, Hereford United. In a cup-tie between the two in December 1953 there was a crowd of 17,500. The ground has seating accommodation for 1,400 and additional covered standing accommodation for 10,000. There are parking facilities for 200 cars and in a population with a radius of five miles of 300,000, the catchment area is considerable.
